Seminar Information

Date: 28 February 2014
Time: 2pm to 5pm (Registration starts at 1.30pm)
Venue: InterContinental Singapore

This seminar provides an overview of the revised SS 5 series of standards consisting of 49 parts. The highlights of this event will bring you through the major changes of the SS 5 series as well as the new parts developed. The revision had resulted in the original 54 parts being reduced to 49 parts.

About SDO@SCIC

The Singapore Chemical Industry Council Limited (SCIC) was appointed by SPRING Singapore on 1 April 2011 as the Standards Development Organisation (SDO) for the Chemical Standards Committee. SDO@SCIC administers the development, promotion and implementation of standards in this area.

The Chemical Standards Committee is guided by the industry-led Singapore Standards Council, which provides advice on the directions, policies, strategies and priorities for the Singapore Standardisation Programme, managed by SPRING Singapore, the national standards body.

The Singapore Standardisation Programme is managed by SPRING Singapore.
