

Dear Built Environment Specialists,

Since 2009, the BCA Academy, the education and research arm of the Building and Construction Authority (BCA), has partnered renowned universities to offer post-graduate programmes in Singapore to develop the capability of professionals to meet increasing demand of greening and managing Singapore's built environment. Append is a **summary of the two (2) Master of Science programmes that BCA Academy will be offering in 2012** for your consideration. We will be glad to provide any further information you may require.

Best Regards,  
Wee Hau
