1-day Workshop on

Contract Drafting – The Technicalities and Legalities

Contract drafting is both an art and science. Merely referring to templates or specimens without having the technical skills and legal knowledge to address the specific needs of a particular project could result in disastrous consequences.

**CPD Points**
PEB: Pending

23rd Run Date: 25 Feb 2016
Venue: BCA Academy

2-day Course on

Sustainable Facility Management Solutions

The role of facilities managers is to manage the operations of buildings and to minimise operational life cycle costs, as well as the impact of buildings on the built environment. With globalised competitiveness in business operations, FM professionals need to be knowledgeable about business management, strategic planning, construction management and engineering towards sustainability in FM.

The 2-day course aims to provide the participants with the knowledge on how to make a business case for sustainability; establish programs to reduce, reuse and recycle; the analysis of the life cycle costing of sustainable buildings and carrying out building commissioning.

**CPD Points**

PEB: Pending  
SCEM-CPD: 14 SCEM PDUs

**12th Run Date:** 29 Feb & 1 Mar 2016  
**Venue:** BCA Academy

1-day Course on **Way-finding and Signage Design**

Way-finding and signage design should be considered holistically as part of the building and facilities planning process. This is to ensure that people can have safe and easy access to amenities and facilities provided in a building. Through this course, the participants will have a good appreciation of how way-finding plays a vital role in Universal Design (UD), especially in supporting the ageing population; learn of the principles, design considerations and communication strategies of way-finding and signage; and be familiar with the design requirements set out in SS 599:2014 Guide for Way-finding Signage in Public Areas. The instructor, Mr Ken Chong will also share his experiences through the use of positive and negative case-studies.

**CPD POINTS**
SILA: Pending  
BOA-SIA: Pending

2nd Run Date: 1 Mar 2016  
Venue: BCA Academy

2-Day Course on

Design of Steel-Concrete Composite Structures using Eurocode 4

Eurocode 4 is the new standard for design of composite structures. It covers many forms of composite structural design and provides the most comprehensive and up to date set of design guidance currently available. This course aims to provide civil and structural engineers an introduction to the Eurocode provisions for the design of steel-concrete composite building structures.

**CPD Points**

PEB: Pending

IES-ACES (for RES/RTOS) – 12 STUs

**6th Run Date:** 14 & 15 Mar 2016

Venue: BCA Academy

SkillsFuture

Study Award for Built Environment Sector

The SkillsFuture Study Awards (up to $5000) are for early to mid-career Singaporeans who are committed to developing and deepening their skills in key sectors and have relevant working experience in such sectors.

SUPPORTED COURSES

- Master of International Construction Management with major in Construction Productivity
- Bachelor of Construction Management (Building) (Hons) (Part-time)
- Bachelor of Construction Management (Building) (Foundation/Part-time)
- Stanford CIFE-BCA Advanced Management Programme in Virtual Design and Construction
- BCA-SMU-WDA Advanced Management Programme on Productivity & Leadership Development
- Certification Course for Green Mark Professional
- Certification Course for Green Mark Facilities Professional
- Specialist Diploma in Architectural Technology
- Specialist Diploma in Building Cost Management
- Specialist Diploma in Building Information Modelling
- Specialist Diploma in Construction Management
- Specialist Diploma in Construction Productivity
- Specialist Diploma in Facility & Energy Management
- Specialist Diploma in M&E Co-ordination
