Contract Risk Management
Understanding the Importance of Risk in Contract Management

1 March 2016 • HDB Centre of Building Research, Woodlands

We are pleased to present to you an important event discussing issues surrounding Contract Risk Management in 2016. A panel of lawyers from Rajah & Tann Singapore LLP will speak at the 1-day seminar, sharing with you their experiences in contract risk management.

Event Objectives
Organized by K2B International, the 1-day seminar aims to help participants obtain:
• Understand what constitutes a breach of contract
• Achieve understanding on the termination clauses that will protect your and other stakeholders’ interests in a contract
• Consider the various types of damages and penalties involved in contract termination
• Gain insights to how losses are quantified and whether these costs can be fully recovered
• Know the circumstances where damages cannot be recovered
• Obtain Information on the various forums available to resolve contract disputes
• Prepare in advance the resolution strategies that you may adopt in times of contract termination
• Acquire knowledge on managing legal costs when contract dispute arises
