Dear Sir/Mdm,

OCCUPANT LOAD CALCULATION FOR BUILDING PLAN SUBMISSIONS INVOLVING WORKERS DORMITORIES

Currently, occupant load calculations submitted by QPs for applications for approval of building plans are based on individual storey and functional usage (see Annex A). These calculations are not detailed enough for MOM and SCDF's enforcement officers to ascertain whether a dormitory room is overcrowded during their enforcement operations.

2. The issue was brought up for discussion at the FSSD Standing Committee meeting on 9 Jan 2012. It was agreed in the meeting that, with immediate effect, QPs shall provide occupant load for each dormitory room in their submissions of building plans for workers' dormitories to SCDF for approval (see example in Annex B). Such occupant loads for the individual rooms shall also be shown on the plans submitted.

3. Please convey the contents of this circular to members of your Institution/Association/Board. The circular is also available in CORENET-e-Info: <http://www.corenet.gov.sg/einfo>.

4. For any enquiry or clarification, please email to MAJ Lee Kok Chuen at Tel: 68481457 or Email: lee_kok_chuen@scdf.gov.sg.

Yours faithfully,

(transmitted via e-mail)
