Dear Colleague,

The American Council of Engineering Companies (ACEC) invites the members of Association of Consulting Engineers Singapore to attend ACEC's 2015 Annual Convention. The meeting takes place April 19-22, 2015 at the Marriott Wardman Park Hotel in Washington, D.C.

At our convention, we offer a variety of educational programs featuring well-known speakers and industry experts. More than 1,000 professionals from all over the U.S. and the world attend our convention. Please [click here](#) to see the convention brochure.

This year's convention will feature an Asia Market session, which will provide an opportunity to hear about opportunities and forecast for the Asian Market directly from U.S. federal agency leaders involved. Convention attendees will also discover funding programs that the World Bank, Asian Development Bank and other entities have or are considering for the nations involved; network with U.S. and host country engineering firms interested in teaming for upcoming work; understand U.S. government policy decisions; and hear from U.S. development agencies about their plans for the region. View the [Convention website](#) for information on the Convention and the most up-to-date schedule.

ACEC is offering the ACEC member registration rate to all FIDIC member delegations. To register, please [click here](#) and fill out the registration form to receive the member rate. Forms should be faxed to our secure line, 202-682-4361. The Department of State recommends that you go to their web site for current visitor visa information at [travel.state.gov](http://travel.state.gov). Please pass this invitation on to your members.

The invitation does not include travel, accommodations or financial assistance. To make your hotel reservations please [click here](#) to access the hotel reservations link. Hotel reservations must be secured by March 20th.
in order to take advantage of a discounted rate.

Please feel free to contact me for more information or convention registration.

We hope to see you in Washington!
