SIWW Spotlight 2019
6 and 7 June
Held in between the main SIWW editions, the SIWW Spotlight series are exclusive by-invitation events to continue the dialogue from SIWW and foster ongoing exchanges on pressing challenges faced by the water industry worldwide. Happening on 6 and 7 June, **SIWW Spotlight 2019** will be focused on industrial water solutions and is held in partnership with Ecosperity Week 2019.

SIWW Spotlight 2019 will look into best practices in:

- **Making Water a Priority in Your Boardroom** - Getting senior management to recognise the importance of water.
- **Framing it Right** - Get a head start by putting in place the right framework and institutionalise your water management practices.
- **Tapping Technologies** - Discover advanced technologies to lower water consumption in your company.
- **Valuing the Precious** - Water is too often considered a cheap and disposable resource. By valuing it rightly, businesses and the environment can reap substantive benefits.
