1-day Workshop on Preparing and Defending Loss and Expense Claims

Even as the economies of the world recover from the recent economic crisis, many on-going projects run the risk of going into disputes, claims, delay and disruption. “Loss and Expense” claim is one of the cost claims that are likely to be encountered by contracting parties of a construction project.

At the end of the workshop, participants would:

• be equipped with the necessary knowledge to manage Loss and Expense claims;
• be able to recognize the “do’s and don’ts” in the claiming process;
• acquire knowledge of legal and technical aspects of claims from experts
