FIDIC Survey
Use of FIDIC Contracts and Agreements

The FIDIC Contracts Committee /Task Group 16 (TG16) is conducting important research about the use of FIDIC Contracts and Agreements worldwide. Through the questionnaire which follows, you will help us to gather the required data and information to help us to understand how the FIDIC forms of Contract and Agreements are being used internationally and the current profile so that we can improve the services we provide to the global construction sector.

Please take part in the brief survey by clicking the button below. It should only take five minutes to complete but the information you provide will be very useful to FIDIC. Thank you in advance for participating in the survey. We really appreciate your input.
