CAREER AND EDUCATION OPPORTUNITIES HERE AGAIN!

BCA is organising the annual Built Environment Career and Education Fair 2017 from 20th – 25th March 2017.

Jobseekers and students can participate via our Virtual Career Fair from 20th – 24th March 2017 at the comfort of your home. You will be able to check out a wide selection of more than 20 booths in a virtual exhibition hall and interact with participating employers through the ‘Live’ video and/or text chats.

For jobseekers and students who prefer face-to-face interaction with firms, you can join us at the Physical Career Fair on 25th March 2017, where more than 40 firms including BCA, LTA, URA, Keppel Group, Woh Hup, Tiong Seng, Sembcorp Design and Construction, EM Services, DLE M&E, Schindler Lifts (Singapore) to name a few, will be participating!

Besides career opportunities, you can also find out more about scholarship and sponsorship programmes.

For more info on the event, please click the emailer below and pre-register now!

BUILT ENVIRONMENT CAREER AND EDUCATION FAIR 2017
The Built Environment (BE) sector is innovating for the future and promises diverse opportunities for those who want to build on their ambition. If you are seeking an exciting and fulfilling career, be sure to visit the Built Environment Career and Education Fair 2017 where you can find out about BE career opportunities and related courses from participating industry firms and local institutions. Check out both the virtual and physical Career Fairs!
