2016 FIDIC Awards - Call for entries

Dear colleagues,

I have the pleasure to announce the call for entries for the 2016 FIDIC Awards. Award nominations are open to all firms or groups of firms that belong to FIDIC Member Associations, Associate Members, or Affiliates. All submissions should be endorsed by one FIDIC Member Association, Associate or Affiliate based in the country where the project is located or where the firm is based.

The awards are for projects that have been in operation for at least 1 year on the closing date for submissions and should have been completed in the last 5 years. A maximum of 25 entries will be accepted from each country.

Submitted projects must demonstrate innovation, quality, and professional excellence; the principles of transparency and integrity; and sustainability and respect for the environment.

Shortlisted firms will be encouraged to display a poster presenting their projects at the FIDIC International Infrastructure Conference in Marrakesh (25-27 September 2016). More information about the conference in Marrakesh is available at www.fidic2016.org.

Firms that receive an award will be recognised at a special ceremony during the FIDIC conference Gala Dinner on Monday 26 September 2016.

Detailed description, eligibility, submission materials, judging, and deadlines are enclosed in the attached Awards programme.

I look forward to receiving Award nominations from all member countries.

Best regards,

Jaewan Lee

they will be judged, and the outline programme for submission of nominations and judging of the
nominees.

2. Aims of the Awards

The FIDIC Awards will:

- promote FIDIC principles: Quality, Integrity and Sustainability

  of life

The Awards will support the aims of the Federation which are to promote the use of international
FIDIC best practice and resources.

The FIDIC Awards will be presented at the Gala Dinner during the FIDIC International
Infrastructure Conference, on Monday 26 September 2016. More information will be available

3. Award Nominations

Award nominations are open to firms that have provided the main engineering and related services
on projects of all types and all sizes.

The nominees should be firms or groups of firms that belong to FIDIC Member Associations &

The total number of prizes to be awarded will be at the judges’ discretion.
