UPCOMING COURSES

The Security of Payment Act – Understanding the Technicalities

3 – 5 April 2017 (Monday to Wednesday), 2pm to 5pm

This course provides not only an overview of the key essentials in the Security of Payment legislation. It aims to enhance participants’ understanding on the requirements for making and defending claims. The common pitfalls will be highlighted. The various ways in which a party may defend itself in an adjudication will also be discussed.

Numerous case studies will be presented. These will be based on actual cases in adjudication or in court.

(2-Day workshop) EQ for Peak Performance

8-9 May 2017 (Monday & Tuesday), 9.30am to 5pm

Improve your emotional intelligence (EQ),
Build-up your workplace relationships and
take-charge of your career and personal life!
Following a very successful seminar in January 2017 and strong feedback from the participants, we are organizing another workshop on "EQ for Peak Performance". This 2-day workshop promises to be fun, interactive, engaging and more in depth as participants discover how to develop emotional intelligence to increase personal and interpersonal effectiveness in their lives and at work. This workshop is conducted by a prominent and distinguished speaker, Dr Granville Ed D'Souza. He has authored numerous articles for a variety of HR magazines, is the co-creator of the EQ Coach cards, written 3 books entitled EQ From the Inside Out, Unshakeable Spirit and will also be releasing his latest book on leadership entitled EQ: The Secret of Inspiring Leaders.

**Join us and enjoy:**

1. We offer special rates to all our members, staff of member firms and affiliates.
2. If you register and make payment before or on 1 April 2017, we will absorb the 7% GST.
3. We are also giving away Dr D'Souza's book "EQ from the Inside Out: Breakthrough Tools & Ideas for Living a Fulfilling Life" worth $23.00 (while stock lasts).
