Course Fee Revision in 2017

- Course fees will be revised from 20 April 2017.
- To register your training placement at existing course fee, please complete the application and payment before 18 April 2017 (T&C apply).

Eligible applicant can tap on SkillsFuture initiatives for BCA Academy courses (T&C apply)

- SkillsFuture Study Award – up to $5,000 for out-of-pocket expenses
- SkillsFuture Credit - $500
- Mid-Career Enhanced Subsidy – up to 90% of course fee

Applicant needs to register for the course and apply for the relevant SkillsFuture initiative accordingly. Visit www.bcaa.edu.sg – “QUICK LINKS” – “SkillsFuture Programmes” for more details.
1 day Course on **The Security of Payment Act – Technicalities and Practicalities**

The Security of Payment Act facilitates payments for construction work done or for related goods/services supplied in the building and construction industry. It aims to improve cash flow in the construction industry by giving parties the right to seek progress payments for work done, and to provide quick and low-cost resolution of payment disputes through adjudication.

The course provides an overview of the key essentials in the Security of Payment legislation. It aims to enhance participants’ understanding on the mechanism, requirements and considerations of the Security of Payment Act and discusses payment issues typically encountered in building and construction projects.

2-day Workshop on

**Behavioural Safety for The Construction Industry**

While safety is influenced by a number of factors, positive behaviour from workers towards safety is considered one of the key factors in preventing accidents at workplace. A successful introduction of behavioural safety process, focusing on identifying and reducing unsafe behaviour and reinforcing safe behaviour, is one way to improve safety at workplace.

Behavioural Safety is a methodology used to improve safety culture through change of behaviour of working personnel in an organisation. This methodology has been applied successfully in other industries, namely in petrochemical and manufacturing sector, and is gaining popularity in the construction industry.

**CPD POINTS**
- PEB: 14 PDUs
- WSH-CPD (for WSH Officers): Pending

2-day course on
Finance for Non-Finance Professionals in the Built Environment

Many professionals in the built environment sector have little or no finance knowledge and experience. The lack of understanding of the financial information hinders them from drafting an accurate budget and making informed business decisions. In the current competitive global economy, there is a need for the built environment professionals to grasp essential key knowledge in the area of finance in order to make more informed business decisions.

This 2-day course is designed to help built environment professionals with little or no prior knowledge in finance to understand and interpret financial data, and how they can be applied in the business and project operations. At the end of the course participants should be able to:
• Understand and interpret the financial statements
• Evaluate the financial performance and health of the business
• Draft an accurate budget
• Apply the concepts in their daily projects and business operations

Date: 4 & 5 Apr 2017
