CONNECT@SIWW: The one-stop business networking portal for water professionals

At SIWW, we know that a key reason why you are attending is to do business and build relationships. As the global platform for the sharing and co-creation of innovative water solutions, the Singapore International Water Week 2012 continues to provide more opportunities to tap into a vast network of public and private sector players in integrated urban solutions.

Connect@SIWW is a value-added service to enhance interaction exclusively between exhibitors and registered delegates of Water Leaders Summit and Water Convention.

What CONNECT@SIWW offers:

- Business match-making for delegates and exhibitors
- Engage potential business partners prior to the event
- Maximise your valuable time during Singapore International Water Week
- Connect with who’s who of the water industry as well as players in integrated urban solutions

This year’s Water Week will featuring more than 650 participating companies and 16 international group pavilions at the Water Expo. Participants will definitely have a fruitful week at the event with the Connect@SIWW as the catalyst for business opportunities.

Get in touch with high-level delegates attending the Water Leaders Summit and Water Convention via Connect@SIWW.
