On behalf of the organising committee, I am delighted to invite you to participate in the one day International Symposium on Advances in Steel Concrete Composite and Hybrid Structures on 2nd July 2012 in conjunction with the 10th ASCCS 2012. The conference is jointly organised by the Department of Civil and Environmental Engineering, National University of Singapore and the Singapore Structural Steel Society.

The conference will bring together practitioners, academics, researchers, manufacturers, product providers, fabricators and contractors from around the world to review the advances and achievements made in steel-concrete composite and hybrid structures and products.

Prominent keynote speakers will share and present their latest works as well as discuss and exchange ideas on current practices, innovation and future research area of needs.

Prof. Richard Liew
Chairman ASCCS 2012
