Dear Sustainable Development Professionals,

As part of the Building and Construction Authority (BCA)'s initiatives to develop industry capabilities towards sustainable development, since 2009, BCA Academy, the education and research arm of BCA, has been collaborating with established institutions in USA and Germany to offer short-term immersion Executive Development Programmes overseas to equip the industry professionals and leaders with current trend and development of sustainable technologies and solutions.

The 4th run of the Executive Development Programme in Germany will be commencing from 22 to 26 July 2013. We cordially invite your participation in the upcoming programme. Appended is the programme flyer for your consideration/registration.

Thank you.

Regards,

Yong Wee Hau • Head (Marketing & Business Development) • BCA Academy • Tel: +65 62489848 • Fax: +65 62580558
