**LEGAL**

**Legal for Non-Legal Professionals**
19 Apr 2017 (Wed) | 2pm to 6pm
NTUC Centre, Level 9, Room 903

Do you have a legal question you would like answered on Employment Law, Implications of New Forms of Employment in the Demand Economy, and Starting Your Own Business? Join us in this interactive Q&A session, and hear from our panel of lawyers.

**MARKETING**

**Digital Marketing Training & Development Needs in Singapore 2017 Survey**

In partnership with Econsultancy, we are conducting a survey to assess the digital marketing skills gap in Singapore. This allows us to design better programmes that can strengthen your digital capabilities, as well as help organisations grow in the digital age. In return for your time, get up to 30% off Econsultancy training courses in Singapore.
Marketing Leaders 2030 Programme
20-21 Apr, 18-19 May, 15 Jun, 14 Jul

ENGINEERING

Progression Forum: Qualities and Smart Strategies for Women in Science & Engineering
25 Apr 2017 (Tue) | 6.30pm - 8.30pm
NTUC Centre, One Marina Boulevard

Women have historically been underrepresented in the Science, Technology, Engineering and Mathematics (STEM) field. Greater efforts are needed to increase the diversity within the STEM field and to enhance the career aspirations of women in STEM. If you are interested to embark on or further your career in this field, be sure to join our programmes for women in STEM.
