Dear Sir/Madam,

Workplace Safety and Health Institute Perception Survey 2016 – your views are important to us

The Workplace Safety and Health Institute (WSH Institute) has commissioned Blackbox Research Pte Ltd (Blackbox), an independent market research company, to conduct a survey to gather your perception on WSH Institute’s performance in enhancing WSH through knowledge, innovations and solutions, and your opinion on the quality of Institute’s research products, events and services.

This is an important survey as it will help the WSH Institute to better understand your needs and views, as you are our key stakeholders. Your perspectives on the work of the WSH Institute will be invaluable to ensure that WSH Institute continues to deliver quality and relevant WSH research products and services for the industry.

Please be assured that all responses will be collected anonymously and no personal identifiers will be recorded. Your feedback is valuable to us. We thank you in advance for your kind participation and honest opinions. Note that this survey will take about 10 minutes.
