The Fearless, Practical & Cost Effective Way to Move Towards BIM
A BIM Seminar supported by the Building & Construction Authority

Date  6 August 2012 (Monday)
Time  6pm -10pm
Venue  Lee Kong Chian School of Business
       Seminar Room 2-8, Singapore Management University (SMU)
       50 Stamford Road Singapore 178899
Attire  Business Casual
CPD Points  Pending approval from SIA and PE Board

Synopsis

AceGroup and the Singapore Institute of Building (SIBL) will present tips for companies wishing to progress into Building Information Modelling (BIM) without too much fuss. This practical-oriented seminar will address the “fear factor” in BIM implementation by addressing the regulatory requirements, technological potential and suggested implementation plans for BIM in Singapore. This seminar also includes a panel discussion, in which the audience is given time to discuss challenges in BIM implementation.
Honorary Guests

Mr Cheng Tai Fatt, Director, Corporate Development Division, BCA
Dr Tan Kee Wee, Centre Director, Centre for Construction IT, BCA

Speaker Line-up

1. Mr Peter Chua, President, Singapore Institute of Building
