The Singapore Contractors Association Limited (SCAL) and SCAL Academy are organising an inaugural Construction Productivity Conference. We have invited local and overseas speakers to share on solutions and good practices that can help construction firms raise productivity through project management and process improvements.

Following the conference, there is a Masterclass which covers an in-depth of the book “Good Practice in the Management of Time in Complex Projects”.

The Conference includes topics on:
- Effective Measurement to Facilitate Improvement
- Good Practice in the Management of Time in Complex Projects
- LEAN Construction
- Advanced Workface Planning / Packaging

Who Should Attend?
Company Directors, Project Managers and Personnel in project planning, scheduling and management of construction.

Accreditation - Pending
BOA-SIA
PDUs
CET - 6 Hours
