17 Apr 2019

Invitation to ACES C&S Members: LTA Industry Briefing on Design Control and Accredited Checking Services

DESIGN CONTROL AND ACCREDITED CHECKING SERVICES
Invitation to Industry Briefing on Design Control and Accredited Checking Services

The Land Transport Authority of Singapore (LTA) will be procuring independent Design Control and Accredited Checking (DCAC) consultancy services on the civil engineering designs developed in the Design and Build Contracts. The DCAC consultancy services will involve design review and design check during the design development stage with full independent calculation, as well as accredited checking services to fulfil the statutory requirements stipulated under the Building Control Act.

To explain the scope and requirements of DCAC services, LTA is organising an industry briefing session for Civil Engineering consultants. The details of the briefing are stated below.

**Date**: 6th May 2019  
**Time**: 4:30pm  
**Venue**: Land Transport Authority, Auditorium Block 5 Level 1, 1 Hampshire Road, Singapore 219428  
**Agenda**: 1. Introduction to DCAC  
2. Scope and deliverables of DCAC  
3. Q&A

Please RSVP your attendance with Ms Elizabeth George at elizabeth_george@lta.gov.sg by 30th April 2019.

Appreciate your cooperation to limit the attendance to maximum of 2 pax per member firm.

Best regards,
Tan Pui Lai | Senior Manager, Civil and Structures, Infrastructure Design & Engineering
