Certification Course for
Green Mark Professional (GMP)  (Revamped Content)
Green Mark Facilities Professional (GMFP)

The Green Mark scheme, which serves as a benchmark for evaluating environmental sustainability in buildings, has since become a leading green building rating system in the tropics and sub-tropics.

Over the years, the Singapore Green Building Masterplan has also evolved from focusing on new buildings in the 1st masterplan to existing buildings in the 2nd masterplan, and tenants and occupants in the 3rd masterplan.

To equip the industry professionals to adopt and embrace the Green Mark scheme in the design, development, management and maintenance of green buildings, certification courses on Green Mark are offered to building designers, project managers and facilities managers.

Dates: Spread from August 2015 to April 2016

Application Closing Date:
- 2nd Run GMFP : 6 August 2015
- 2nd Run GMP (revamped) : 31 August 2015

Venue: BCA Academy

Evening Course
Advanced Certificate in Workplace Safety and Health

Under the legal framework of Workplace Safety and Health (WSH), a WSH Co-ordinator is required to be appointed for a construction project with a contract sum of less than $10 million. This course is a qualification recognised for registration as WSH Co-ordinator by the Ministry of Manpower; and will also prepare the participants to take up employment as other WSH professionals such as WSH Supervisors.

Next Run: Commencing on 12 Aug 2015
Venue: BCA Academy
