FINAL CALL FOR PRE-REGISTRATION – 5 October 2012

IGBC 2012 is presented to you by Singapore Green Building Council (SGBC) Organizer of the International Green Building Conference (IGBC) 2012

Mark your calendar!

International Green Building Conference 2012
Date: 9 -12 October 2012
Venue: Marina Bay Sands, Singapore
IGBC 2012 CONFERENCE HIGHLIGHTS

Scintillating Speakers on Green Action and Sustainable Business Innovation

- Hear from the Andy Ridley from Earth Hour, and Mr Kwek Leng Joo, Singapore Compact President for CSR on how to inspire mindset change.
- Learn from Mr Rod Leaver, CEO Asia for Lend Lease, on how sustainable business innovation could benefit the community.
- Find out from the Inaugural WorldGBC Leadership Award winners how their respective green building policies deliver maximum socio-economic results to benefit both business practices and community.

New Business Case for Community-centric Green Mark Schemes

- Come and learn about the newly launched three new Green Mark initiatives for Data Centres, Retail and Supermarkets.
- Find out how to assess energy efficiency for the data centres and eco-retail stores.
- Discover the underlying strong business case for these new community-centric Green Mark schemes, as Singapore is a regional information hub for data centre hosting as well as a shopping hub for international and local retail stores.

Effective Innovations for Greater Energy Efficiency

- Insights to innovative solutions to achieve more energy efficiency for space cooling and ambient lighting for green buildings.
- Learn about the latest case studies of high-rise apartments constructed with cross-laminated timber.
- Hear from some of the world’s celebrated architects sharing about biomimetic buildings, home and abroad, such as Gardens by the Bay, and what make them energy efficient in the tropics.

LAST DAY FOR PRE-REGISTRATION 5 October 2012

Register now!

Click HERE for a complete list of Eco Sites.

About Singapore Green Building Council

The mission of SGBC is to propel the Singapore building and construction industry towards environmental sustainability. SGBC received the Established Member status from the World Green Building Council in March 2010.

Over a short span of three years, SGBC membership has expanded by 260% to 370 members and this has helped elevate the profile of Singapore Green Building Product (SGBP) Certification Scheme. In addition, SGBC has also successfully launched a new Green Services Accreditation Scheme to promote best environmental practices in the industry. The three focus areas of SGBC are:

About BEX Asia

BEX Asia 2012 will be held alongside IGBC 2012. BEX Asia is Southeast Asia's premier business platform for the green building and construction industry. IGBC 2012 delegates can attend the dedicated trade exhibition that focuses on BUILD GREEN featuring eco-friendly, energy efficiency building materials, design and architecture. It incorporates critical content that enhances your competitive advantage and knowledge of the BUILD GREEN sector. The event brings together industry practitioners, professionals and key buyers across the regions to learn, network and do business with Southeast Asia's developing economies. This event is free for all trade visitors.

Click HERE to register.

About the Venue

Held at Marina Bay Sands (MBS) – Asia’s most spectacular business and leisure destination with state-of-the art convention and exhibition facilities, hotel, theatres, etc. MBS is Asia’s leading destination for business, leisure and entertainment right in the heart of Singapore’s city center, a mere 20 minute ride from Singapore Changi Airport.
