**Subject:** (No. 43/2008) -Amended Caption To Read - Non-PEs offering PE Services

### TO ACES MEMBERS

We refer to the circular No. 43/2008 (20 May 2008) with the caption Responsibilities of PEs and PE firms. Please replace with this one with the caption - Non-PEs offering PE Services.

We apologise for the inconvenience caused.

Regards  
Agnes  
on behalf of Dr. Tan Guan

Ref: ACES Circular No. 43/2008 (20 May 2008)

### TO ACES MEMBERS

Dear Members

#### **RE : NON-PEs OFFERING PE SERVICES**

There was complaint on the building inspection reports submitted by a Building Surveyor with findings and comments involving public safety that require application of engineering principles, data and judgments.

The case has been referred to PEB for further investigation as there are prima facie evidences that the surveyor might have contravened Section 10(1) of the PE Act by offering professional engineering advice to his client.

We would like to request the members who have come across similar reports, to please forward a copy to ACES by 30 May 2008.

Thank you and Regards

**Dr. Tan Guan**  
**Chairman, C&S Practices Committee**
