Dear Participants,

Greetings from Buona Vista Community Club.

Thank you for your support in our Industry Guru Series.

We are pleased to inform you that the topic for the next Industry Guru Series is “Impact of ASEAN Integration”.

The ASEAN Heads of State launched the Initiative for ASEAN Integration (IAI) at their Summit in 2000. Through this, the hope is to accelerate the regional integration process and ultimately to narrow the development divide. This would ensure that the objective of building an ASEAN Community in 2015 through fostering regional cooperation and greater social and economic integration is met. The IAI Work Plan is patterned after the key programme areas in the ASEAN Political-Security, ASEAN Economic and ASEAN Socio-Cultural Community Blueprints. How would the ASEAN Integration impact the region’s growth both locally and as a whole, and should we embrace this with open arms or view it with uncertainty?

We would like to invite you to participate on:
