**About SDO@SCIC**

The Singapore Chemical Industry Council Limited (SCIC) was appointed by SPRING Singapore on 1 April 2011 as the Standards Development Organisation (SDO) for the Chemical Standards Committee (CSC). SDO@SCIC administers the development, promotion and implementation of standards in this area.

The Chemical Standards Committee is guided by the industry-led Singapore Standards Council, which provides advice on the directions, policies, strategies and priorities for the Singapore Standardisation Programme, managed by SPRING Singapore, the national standards body.
