At A Glance

In the middle of economic turmoil, the construction industry has become more vulnerable to unplanned changes and the only assurance at hand is a contract. But these contracts, if not handled properly can make the business go out of hand.

This Laures Solutions event will highlight practical resolutions on your construction claims disputes and will give tips on avoiding them, showcasing in depth discussions and case studies from the professionals of this field gearing you towards better handling of your claims and disputes.

KEY FEATURES

- Understand the relevant contractual provisions and different types of claims
- Identify the major causes of construction claims and disputes
- Learn how to handle your claims effectively using strategies and different solutions
- Understand delay cost procedure and process
- How to prevent disputes leading to Litigation/arbitration/adjudication

Who Should Attend

This conference will have the target audience as follows:

General Managers, Managing Directors, In-House Legal Counsels, Senior Contract Managers, Commercial Lawyers, Real Estate Professionals, Property Developers, Landlords, Contract Directors, Contract Specialists and Consultants, Engineers, Architects, Quantity Surveyors, Contractors, Sub – Contractors
