THE GLOBAL PLATFORM TO SHARE AND CO-CREATE INNOVATIVE WATER SOLUTIONS

BE THE FIRST 1,000 TO RECEIVE THE LIMITED EDITION SIWW LUGGAGE TAG!
The Singapore International Water Week has recently concluded on a high note and for our continuous improvement, we seek your help by participating in this user experience survey. We would like to request 3 minutes of your time to fill up the survey by visiting the link below. This survey is important to us, so that we can better understand your needs to see how we can serve you better.

In case you have missed the special editorial series on SIWW's 10 years of water excellence, we have appended them below for your reading pleasure. Thank you.

Please complete the survey by **31 August 2018**.

**Complete the Survey Now**

Participants of the completed survey will be notified via email and give-away of the luggage tag is on a first-come-first-served basis.
This series highlights the accomplishments of one of the world’s most prestigious water events, Singapore International Water Week, and identifies the challenges and opportunities of sustainable water management around the world.

### Taking the water industry to new heights

More than $55 billion worth of business deals have been struck at the Singapore International Water Week over the past decade, making it the premier event for water-related business networking. Here’s a look at how it has boosted the global water and wastewater industry.
