Find out what’s on at the “Singapore Construction Productivity Week (SCPW) 2016”

Themed ‘Transforming the Way We Build through Innovation’, the Singapore Construction Productivity Week (SCPW) 2016 is an industry-wide event for developers, architects, contractors, builders and suppliers to exchange ideas on construction productivity. Share the latest developments in new productive technologies, best practices and success stories and encourage industry players to change the way they build through innovation.

FOR MORE DETAILS ON KEY EVENTS IN SCPW, PLEASE CONTACT:
- bca_scpw@bca.gov.sg
