# SIA CPD EVENTS

**SIA-XCS BIM MANAGEMENT WORKSHOP**

*(4 CPD Points)*

**About BMW**

We are pleased to inform you of our forthcoming BIM Management Workshop jointly organized by SIA and Xcube Solutions.

Formally known as BIM Implementation Workshop (BIW), is a comprehensive introduction to BIM for management level which focuses on the fundamental knowledge of BIM concepts and implementation requirements. Participants will be able to make more informed decisions and manage their implementation better.

This 2-day boot camp program is conducted through discussions and our unique designed module to allow Management and Project Managers to learn BIM management in a fun and enjoyable way. Therefore a minimum 18 pax is recommended to proceed.

This topics covered in the program are

- BIM Management planning; understanding of hardware and software requirements;
- BIM training methodology; how to start a BIM project; BIM standards and practice;
- Introduction to BIM execution plan and many other BIM Management topics.

**Who should attend:**

Developers I Architects I Builders I Consultants I Engineers I Contractors I Project Managers

**Date:** 29 - 30 January 2016, Fri - Sat
