Organised by:

The Singapore Chemical Industry Council Limited (SCIC) was appointed by SPRING Singapore on 1 April 2011 as the Standards Development Organisation (SDO) for the Chemical Standards Committee. SDO@SCIC administers the development, promotion and implementation of standards in this area.

About SDO@SCIC
The Chemical Standards Committee is guided by the industry-led Singapore Standards Council, which provides advice on the directions, policies, strategies and priorities for the Singapore Standardisation Programme, managed by SPRING Singapore, the national standards body.

The Singapore Standardisation Programme is managed by
