2-Day Course on
Planning & Management of Home Renovation

In an effort to improve the industry to meet the needs of its current and potential renovation contractors, HDB jointly with BCA has launched this course “Planning & Management of Home Renovation”. All existing and new renovation contractors are encouraged to attend the course.

This course is designed to equip participants with the necessary skill and knowledge in planning and managing renovation projects. Particular emphasis is placed on documentation, resource management, quality control, delivering good customer services, designing for home renovation and finally, opportunities for improvement or upgrading of the business.

Date: 14 - 15 Jan 2013

Built Environment and Property Prospects Seminar 2013
[Formerly known as Construction and Property Prospects Seminar]

As one of the main engines of growth for Singapore’s economy, the construction and the real estate industry need to respond and adapt quickly to changes in the ever-changing economic and business environments. Against a headwind of challenging global economy and outlook, what lies ahead for the various property markets? What will be the key opportunities, challenges and prospects for the built environment and property sectors in Singapore and the region in the coming years? These pertinent questions would be addressed by renowned speakers at this seminar.
