PROCUREMENT FRAUD PREVENTION

Deter, Prevent & Detect Fraud

14 – 15 January 2016, HDB Centre of Building Research

Supported By

HDB Building Research Institute
INTRODUCTION

Procurement fraud can occur through departmental purchasing of goods and services, as well as through contractual arrangements with external service providers. It can come in many different ways.

Fraud within the procurement life cycle is high risk and can result in recurring losses. You may be at risk due to fraudulent activities conducted by internal staff, collusion between internal staff and external service providers or external service provider and/or industry collusion.

Join us in this 2-day training programme to acquire the knowledge, skills and techniques you need to deter, prevent and detect this devastating type of fraud.

OBJECTIVES

What you will gain from this seminar:

- Introduction to fraud and the different types of fraud that can occur in your organization
- Learn about establishing an effective anti-fraud culture & general anti-fraud controls
- Gain a thorough understanding of the vulnerability of the procurement function to fraudulent activities
- Understand consequences of procurement fraud to prepare for adverse circumstances
- Explore different kinds of procurement fraud and how they can occur
- Recognise the red flags of procurement fraud
- Learn about effective deterrent, preventive and detective measures to help reduce the occurrence of procurement fraud
- Find out about the 4-step process to proactive procurement fraud prevention

WHO WILL BENEFIT FROM THE PROGRAMME?

- Internal auditors
- Internal controls officers
- Financial auditors
- Procurement officers
- Compliance, finance and operations professionals who are seeking to understand more about procurement fraud

Methodologies: Mini-lectures, class discussion, case-studies, quizzes, group activities and presentation

ABOUT THE SPEAKER: MS JESSICA HONG CA(M) CPA

Jessica Hong (Ms.) is a Malaysian Chartered Accountant and holds a Bachelor of Accountancy from University of Malaya and she completed her post-graduate studies in Management Development Programme at INSEAD, Singapore.

Her career with PricewaterhouseCoopers (PwC) has given her invaluable experience in system assurance, management assurance, audit, fraud investigations, system implementations, due diligence and many other challenging assignments. All these provide her with deep insights of financial management practices and their impact on corporate performance. Her financial skills training experiences made her an invaluable resource to participants in her financial skills programmes. She was trained by Michael Wells, Director, IFRS Education Initiative, IFRS Foundation and Paul Pacter, IASB Member & Chairman of the SME Implementation Group in Singapore recently, to be an IFRS Trainer (IFRS is International Financial Reporting Standard).

She is on the panel of trainers for Institute of Singapore Chartered Accountants (ISCA) Business Ethics and Conduct, specialising in Anti Money Laundering and Anti Terrorism Financing topics, and Financial Reporting Standards. Jessica is the resident trainer for SQP Financial Reporting in SAA Education Group Singapore and Risk Management series in Social Service Institute of Singapore.
