Workplace Safety and Health (WSH) Conference 2016

WSH Excellence through Leadership in Construction Industry - Driving Towards Vision Zero

In the Vision Zero movement, one of the key steps in achieving WSH excellence is commitment by leaders. Leaders (senior management) play a crucial role in building up safety and health culture of an organisation. They have greater influence in raising WSH capabilities of their contractors and the workforce. They also have responsibility to send clear signals that they are committed to bring their workers home safe and healthy.

This year’s WSH Conference, jointly organised by BCA Academy and IOSH (Singapore), embraces the theme of “WSH Excellence through Leadership in Construction Industry - Driving Towards Vision Zero”.

1 day Course on The Security of Payment Act – Technicalities and Practicalities

The Security of Payment Act facilitates payments for construction work done or for related goods/services supplied in the building and construction industry. It aims to improve cash flow in the construction industry by giving parties the right to seek progress payments for work done, and to provide quick and low-cost resolution of payment disputes through adjudication.

The course provides an overview of the key essentials in the Security of Payment legislation. It aims to enhance participants’ understanding on the mechanism, requirements and considerations of the Security of Payment Act and discusses payment issues typically encountered in building and construction projects.

Certification Course for

Green Mark Professional (GMP) *(Revamped Content)*

The *Green Mark* scheme, which serves as a benchmark for evaluating environmental sustainability in buildings, has since become a leading green building rating system in the tropics and sub-tropics.

Over the years, the Singapore Green Building Masterplan has also evolved from focusing on new buildings in the 1st masterplan to existing buildings in the 2nd masterplan, and tenants and occupants in the 3rd masterplan.

To equip the industry professionals to adopt and embrace the *Green Mark* scheme in the design, development, management and maintenance of green buildings, certification courses on *Green Mark* are offered to building designers, project managers and facilities managers.

GMP Batch 4: Starting from 12 Jan 2017
