Dear Respondent

Subject Line: New Research on Water and Wastewater Projects

buildingSMART Singapore is pleased to be partnering with Dodge Data & Analytics on a groundbreaking study that will provide a needed baseline on the use of BIM in the water and wastewater sector, and we encourage you to participate.

To take the survey,

The study will cover a set of core themes, including BIM usage and information flow throughout the whole lifecycle, benefits from the use of BIM and the importance of BIM skills among stakeholders.

This survey should take approximately 10 to 12 minutes to complete. Your answers are strictly confidential and will not be associated with your name or the name of your company in any way.

Please use a desktop or laptop computer to complete the survey; it is not enabled for mobile devices.

As a thank you for completing the survey, you will have the option of receiving a copy of the findings.
