Breach of Contract: Remedies and Dispute Resolution

About the Event

Disputes, being major or minor can damage commercial relationships and have adverse impact on business reputation and survivability. It is essential for stakeholders to understand how contract works and be familiar with typical key contractual clauses to minimize risk of disputes.

Unfortunately, it is not unusual for disputes to occur during the span of a contract. Stakeholders should put in place clear agreements to prevent conflicts and achieve early settlement of potential disputes.

This ½ day seminar will prepare stakeholders to plan for the least damaging action items, in the event of breach of contract.

How would you Benefit from the Event?

The participants will benefit from the course from various aspects:

- Understand what constitutes a breach of contract
- Achieve understanding on the termination clauses that will protect your and other stakeholders’ interests in a contract
- Consider the various types of damages and penalties involved in contract termination
- Gain insights to how losses are quantified and whether these costs can be fully recovered
- Know the circumstances where damages cannot be recovered
- Obtain information on the various forums available to resolve contract disputes
- Prepare in advance the resolution strategies that you may adopt in times of contract termination
- Acquire knowledge on managing legal costs when contract dispute arises
