A sustainable economy, a sustainable living environment, sustainable development for the people and international collaborations are the 4 key pillars to Singapore’s journey towards shaping a sustainable future. Discover the opportunities from within and let Green Jobs Symposium & Networking 2017 provide an inside glimpse to the industry trends. Organised by Young NTUC, BCA, EDB and NEA, the symposium is held in conjunction with Clean and Green Singapore 2017.

Highlights:
- Gain insights to the industry and the various roles
- Networking with employers
- Employment and internship opportunities
- Tour of the Ascent, a Greenmark Platinum awarded building
- Invitation to Young NTUC’s Youth Career Network, a peer to peer career mentorship programme to aid youths in career pathway navigation

About Young NTUC

Young NTUC is the youth wing of the National Trades Union Congress. With over 190,000 young adult members aged 35 and below, we are the largest and most vibrant youth movement in Singapore.

Young NTUC offers a multitude of purposeful activities and opportunities to develop potential leaders of tomorrow. Whether work-based or cause-based, we provide platforms for youths to build friendships and create communities where like-minded young adults come together to achieve common goals.

Discover how Young NTUC gives voice to youths’ needs and aspirations at work and in life. To find out more, visit www.youngntuc.org.sg or https://www.facebook.com/yntuc.
